

**FOR IMMEDIATE RELEASE**

## **ImageScan to Exhibit at 2011 AFP Annual Conference**

LANHAM, Maryland, November 3, 2011 – ImageScan Inc., a U.S.-based, leading software solutions provider for accounts receivables management and transactional content unification, will exhibit at the Association for Financial Professionals (AFP) Annual Conference in Booth #1938, to be held next week on November 6-8, 2011 in Boston. ImageScan will showcase *TCM Unify*®, its consolidated receivables solution, highlighting some of the solution's core capabilities including MultiBank and Image-enabled ACH Research. Visitors to the booth will be able to experience a demo of ImageScan's Integrated Client Site Capture, a remote lockbox application, and learn about how ImageScan is transforming Corporate Treasury through its integrated solutions.

For more information on the AFP Annual Conference 2011, visit [www.afpconference.org](http://www.afpconference.org).

### **About ImageScan Inc.**

ImageScan Inc. is a U.S.-based, leading software solutions provider for accounts receivables management and transactional content unification. Founded in 1992, ImageScan is a top supplier to Tier 1 financial institutions in the U.S. and a Microsoft-certified partner. Servicing Fortune 500 customers, ImageScan offers industry-specific solutions and services to organizations within banking, healthcare, government, outsourcing, non-profit, insurance and fulfillment. By deploying solutions in a timely, non-disruptive, and cost-effective manner, ImageScan offers customers a reduced cost structure, optimized business intelligence, increased accuracy and the ability to provide differentiated services to their marketplace. With unmatched innovation and superior customer service, ImageScan's solutions are fully scalable and operate in some of the most demanding of HIPAA, PCI and anti-fraud environments to meet customers' evolving needs.
